HOME LEARNING

For home learning this week we would like you to see if you can notice any of the early signs of Springtime.

Can you spot any of the early spring flowers blooming or blossom in the trees?

Reception children: please continue to read your words/books as much as you can with your grownups at home. We recommend at least three times in the week to help develop fluency.

Dear Parents & Carers

Our text this week has been the wonderful poem 'If I were a Superhero' By Sally Grey. We have enjoyed listening to the poem and joining in with the repeated rhyme. We thought about the different superpowers we would like to have and how we would use them to help others. In class we used the poem to help us to think of some superhero 'rules' – the sort of behaviours that all superheroes show everyday. We decided that, as Superheroes, we would try to be brave, protect, be kind, be strong, show love and always do our best!

If I Was a Superhero
By Sally Grey

If I was a superhero
I'd deftly fly
Arms outstretched,
Racing birds in the sky.

If I was a superhero
I'd have special powers
Like extra long legs
For jumping over towers.

If I was a superhero
I'd save all the oceans
With my secret and magical
Cleaning up poisons.

If I was a superhero
I'd save all the trees
And the mountains and rivers
The birds and the bees.

In RE this week, we have thought about the changing seasons and the start of Spring. We learnt about the different signs of Spring and what we would begin to see happening in the next few weeks as the weather (hopefully) gets warmer. We watched a video about a boy called Toby who is preparing the Church with his family for the Easter service and thought about the different things we look forward to at Easter time.

This week Esme joined us in nursery, we would like to welcome her and her family to St Michaels.

Have a lovely weekend.
