### Friday 08<sup>th</sup> March 2024

#### HOME LEARNING

For home learning this week  
Can you go for a walk with a grown-up and look for signs of spring. Talk about what you can see. Can you spot any flowers growing?  
  
What is the weather like? Did you see any animals? You could take a photo or draw a picture of what you see on your spring walk and share on Tapestry.

Reception children: please continue to read your words/books as much as you can with your grownups at home. We recommend at least three times in the week to help develop fluency.

Dear Parents & Carers

Whew! What a brilliantly busy week we have had in school this week.

On Thursday we celebrated World Book Day by immersing ourselves in all things Supertato! We shared different stories of our favourite Super veggie adventures and thought about the different ways we could help by planning traps to capture the Evil Pea! The children enjoyed becoming superheroes themselves by making masks and capes to transform into Superheroes.

In RE this week we have continued to think about the signs of new life in Springtime. We learnt about the egg being the symbol of new life, which is why we have egg-shaped chocolate at Easter!

A big thank you once again to the PTA who supported World Book Day by organising a book swap in school. Thank you for bringing in your books and sharing our love of reading with the children so wonderfully.

Have a lovely weekend.

Mrs Edwards and Miss Grant

### Our Vision & Values

*Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.*

*We are beginning to see signs of Spring: The grass withers, the flower fades, but the word of our God will stand forever. Isaiah 40:8*

### Star of the Week

This week we celebrate **Sharenna**

What a star Sharenna has been this week – we love the way she is working on her super speedy sounds.

Target attendance 98%

This week's attendance is 87.9%

Thank you for your continued support in reaching our target
