### HOME LEARNING

Please work on speeding up word reading when reading your books at home.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

Welcome back, I can't believe we are in the summer term already!

The children have settled back in well and have had a busy first week back.

This week we started our art learning on Kandinsky. We created artwork in the style of Kandinsky's 'squares with concentric circles'. We enjoyed using oil pastels to create the different coloured circles.

In Geography we will be learning about hot and cold places. We have been learning about the seven continents and have used a map and globe to locate and name them.

In science we will continue our learning on plants. Our focus this half term will be on trees.

We had a fire practice this week. The children were all incredibly sensible and were able to get outside in a calm and sensible manner, well done everyone!

Please remember we have PE on a Monday so come in your PE kit. Reading books need to in school every Friday.

We would like to welcome Nora to Shell Cove who joined us this week.

Have a lovely, weekend.

Mrs Attwood

### Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

Spring is a reminder that God is all about making things new.
