'The Future we Create Everyday'

Shell Cove Newsletter 26th April 2024

HOME LEARNING

Practice counting different numbers of objects in 2s. Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

This week we continued our learning on Kandinsky. We thought about different warm and cold colours and how they make us feel and what they make us think about. We created splatter art pictures using our chosen colours.

In Geography we have been finding out about the 5 oceans of the world, where they are located and what they are called.

In Science we named and labelled the different parts of a tree. We found out what each part does. Over the next few weeks, we will be exploring different leaf shapes, matching them to the trees they belong to and naming commonly found trees.

We have started reading a chapter book as part of our class reading for pleasure time. We are reading 'The Boy Who grew Dragons' by Andy Shepherd. We found the exploding dragon poo bit very funny!

Have a lovely, weekend.

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

As it was St Georges Day on Tuesday:

Spirit strengthen our hearts to receive courage to walk in faith and trust in the loving kindness of God in everything we face.

Star of the Week		This week we celebrate:
		Summer
		For being kind to others and helpful around the classroom.
Target a	attendance 98%	This week's attendance is 98% Wow, we reached our target!
