Dear Parents and carers.

We have had a lovely week in Oyster Cove this week, grappling with new learning and deepening our understanding of things we already know.

The children have been gripped by our class novel this half term. An amazing adventure story with treachery, intrigue and set in a different culture. It is a real page turner!

We had the privilege of welcoming Mrs Dixon in for 'Story Crafters' After School Club on Wednesday. The children had a brilliant time with her and can't wait for the next session!

The children have been showing their understanding of time. We have been learning, o'clock, half past and quarter past this week.

In geography, we have been studying Goodrington Sands in detail and thinking about why people might want to visit this location. The children will be able to tell you lots about it if you take a trip there this weekend.

Have a lovely weekend and I look forward to seeing everyone on Monday.
