HOME LEARNING

I have put some RWI videos on Tapestry to complete.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

A shorter week, but still a busy week!

This week in science we watched a video about leaves and trees. We talked about the different shapes of the leaves and matched them to the trees they belong to.

In Geography we are continuing our learning about the world. We have enjoyed singing songs about the continents and oceans. Next week we will be thinking about where the hot and cold countries of the world are located.

In RE we continued our learning on the Creation. We thought about the world and what we would say thank you for. We wrote down what in the world we are thankful for. Some very thoughtful ideas!

In maths we have continued counting in 2s, 5s and 10s and making equal groups as part of our introduction to multiplication.

On Tuesday we walked to the Rugby club to participate in cricket linked games and learning new skills. We learnt how to stand to bowl a ball to hit a target. All the children were incredible throughout, had lots of fun and the adults joined in too!

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

Psalm 104:19. "He made the moon to mark the seasons, and the sun knows when to go down"

Star of the Week

Target attendance 98%

This week we celebrate:

Hollie

For being brave and showing more resilience when coming into school.

This week's attendance is 99.4%

That is incredible! Well done to everyone

Flourishing Futures
