HOME LEARNING

For home learning we would like you to go on a **Nature colour walk** (thank you to those who have already shared some amazing photos of their walks!)

When you're out exploring nature, can you find and point out objects that are different colours. Can you find an object for every colour of the rainbow?

Talk together about the how the objects look, smell and feel to create a sensory experience.

We would love to see some of you exploring on Tapestry.

Reception children: please continue to watch your sound videos read/ your words/books as much as you can with your grownups at home.

We recommend at least three times in the week to help develop fluency.

Dear Parents & Carers

This term our theme is 'Let's Investigate – the world around us.' This week the Reception children have been exploring our locality with attending beach school at Goodrington Beach and we have all had lots of fun exploring our forest school area outside.

Our forest school area is a great place for bug hunting and for climbing and exploring, we have made the most of the dry weather to get out every day!

Beach School this week involved learning about sea safety. We had lots of games to play and things to make, including a harbour complete with boats and wave pictures on the sand.

In RE this week we continued to think about special places and about some of the reasons Christians go to church.

Have a lovely 2 week half term and we will see you on Monday 10th June.

Mrs Edwards and Miss Grant

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

There is a calmness to a life lived in gratitude, a quiet joy

Star of the Week

Target attendance 98%

This week we celebrate

All our children

For making us so proud every day with their kindness and hard work

This week's attendance is 96.9%

Thank you for your continued support in reaching our target
