Explore the different
Bitesize games Animals
Including Humans KS1.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading

and
would
enjoy

seeing the special stories you have at home too!

Dear Parents and carers,

Wow what amazing children we have! We have done the phonics screening test this week. All children were incredible, and I am ever so proud of all of you! Well done to everyone!

This half term we will be following on from learning about hot and cold places in geography to learning about the famous explorer Sir Ranulph Fiennes who circumnavigated the globe.

In DT this half term we will be learning how to sew to create hand puppets, based on a Traditional Tale character. In RE we are thinking about how we can make the world a better place. We will be thinking about how we can care for our world and each other.

In science we are finding out about different animals and how we can group them in different ways. This week we found out that we can group animals according to their different characteristics. We found out about the different features animals have and then grouped some animals into birds, reptiles, mammals, amphibians, fish or minibeasts. We really enjoyed doing little quizzes to find out what we have learnt so far.

As part of our morning challenge work, we designed a healthy lunch. We talked about what foods are healthy and which ones are a treat to have a little of. We all thought fruit and vegetables were a healthy option to have at lunch time.

Have a lovely weekend,

Mrs Attwood

Our Vision & Values

Psalm 133:1 reminds us, "How good and pleasant it is when God's people live together in unity!" As leaders, we can create a harmonious and productive work environment by promoting unity among our team members. By valuing and respecting each individual's contributions, we can harness the power of collaboration.

Star of the Week

Target attendance 98%

This week we celebrate:

Soft Bear is feeling so proud of all our children he simply can't choose so he is going to spend the weekend with Mrs Attwood.

This week's attendance is 95%

Thank you for your continued support in reaching our target

Flourishing Futures
