Reading

Please read at least 4 times a week.
Repetition builds recognition of unfamiliar words to make them easier to recall and read at speed.

PE/Cricket

Monday - PE.

Tuesday - Please come to school in your PE kit for cricket.

Dear Parents and carers.

What an action-packed week we have had in Oyster Cove.

The children had a fantastic time in PE this week with the guys from Saints South West and continued their excellent sporting endeavours at Paignton Cricket Club on Tuesday. It has been great to see their skills developing over the past weeks and they are really coming on with some serious batting action taking place this week!

In history we have been exploring a very deep topic this term as we investigate the lives of significant women in history. The children have been shocked by things from the past but so eloquent in explaining how and why things have changed for the better.

We have continued looking at efficient methods of problem solving in maths this week, fine tuning our skills in addition and subtraction.

Our class novel came to a climactic end to it's first part. We were gripped and hanging off every word!

Have a restful weekend and see you all on Monday.
