CHURCH OF ENGLAND ACADEMY

### HOME LEARNING

Can you create your own animal fact-file? Work with an adult to find the information and then use this to create an information leaflet about your chosen animal.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

What a busy week! This week we have continued going to cricket. We learnt how to bowl and then split into groups to play a game of cricket using all the skills we have learnt so far. It is lovely to see how much progress the children are making week on week.

We went to the library this week and really enjoyed the stories the librarian shared with us and being able to choose a book to bring back to school.

This week we did our first lesson on explorers. We found out what an explorer is and thought about where we would go exploring if we could go anywhere in the world and beyond.

In DT this week we researched different types of puppets. We then designed our puppet so we can then begin to make them over the rest of the term.

In science this week we carried on our learning about animals. We watched a video clip to find out what the words invertebrate and vertebrate mean. We chose 2 different animals to compare by looking at the different features they have.

Last Friday the children came home with story books to share with a family member at home. Please bring these books back on a Friday so we can choose a new one each week.

Have a lovely weekend,

Mrs Attwood

### Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Everyday'.

Psalm 113

The LORD's name should be praised from where the sun rises to where it sets.

### Star of the Week

Target attendance 98%

This week we celebrate:

**Aurora**

For always being ready to listen and always setting a super example in class

This week's attendance is 96%

Thank you for your continued support in reaching our target

Flourishing Futures
