#### HOME LEARNING

For home learning this week to support our learning in school we would like you to draw a simple map of a familiar journey. It could be your route to school, to the park or to a friends house. Think about the places you pass on your way and include everything you can remember on your map. We look forward to sharing these in school/on Tapestry next week.

**Reception children:** please continue to watch your sound videos read/ your words/books as much as you can with your grownups at home.

We recommend at least three times in the week to help develop fluency.

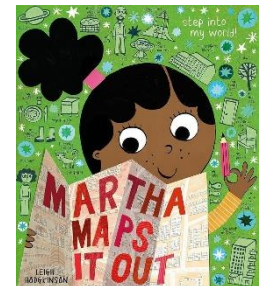

Dear Parents & Carers

Whew – what a brilliantly busy week we have had in school this week! This week the reception children enjoyed their final visit (this year) to beach school. We have had such a lovely time learning and exploring at Beach school, we cannot wait to go back!

The nursery children were treated to a visit from the wonderful Lullabubbas. There was lots of joyful singing, dancing and role-playing in this lovely session for our youngest children.

Reception children visited Paignton library for a fabulous storytelling session and chose books to bring back into school to share. We are enjoying having some wonderful new books in class to read. For your information, the Gruffalo is having a party at Paignton Library this Saturday, the 22<sup>nd</sup>, at 11am. It looks set to be a great family event to join and have some fun in our wonderful local library.

Our book this week has been 'Martha Maps it Out' by Leigh Hodgkinson. In this thoughtful book, we meet Martha who LOVES to draw maps. She creates maps of everything—even her thoughts and dreams! We have used what we learnt about special places last term to help us to find key features of Paignton on the map and draw maps of our local area and the key features we pass on our route to school.

Have a lovely weekend.

Mrs Edwards and Miss Grant

### Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

Psalm 113

The LORD's name should be praised from where the sun rises to where it sets

### Star of the Week

Target attendance 98%

This week we celebrate

**Gracie**

We are all very proud of Gracie and how wonderfully she is coming into school with her friends in the mornings.

This week's attendance is 94.6%  
Thank you for your continued support in reaching our target
