HOME LEARNING

Nursery Children: Can you play a game of eye spy this week. Take turns with one another to pick an item you can see around you.

Say 'I spy with my little eye something beginning with...' saying the sound that the object's name begins with, **not** the letter's name. So for example, 'I spy with my little eye, something beginning with sss' (S).

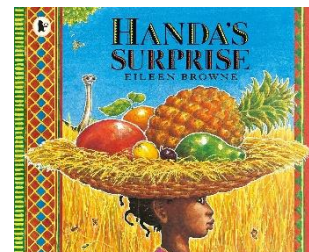

By using the sound as opposed to the name, you're helping your little one to spot the word sound, which is helpful when it comes to learning to read.

Reception children: please continue to watch your sound videos read/ your words/books as much as you can with your grownups at home.

We recommend **at least three** times in the week to help develop fluency.

Dear Parents & Carers

Our book this week has been the loved classic 'Handa's Surprise' by Eileen Brown. Handa carries fruit to her friend in a neighbouring village. Little does Handa realise that along the way there are animals that have their eyes on the lovely fruit in her basket! We have enjoyed listening to this lovely book and learning an African call and response song – Che Che Kule.

The children have enjoyed learning about houses around the world this week. We went on a journey around the globe to discover the different types of homes that people live in. We were surprised and delighted to discover that some people live high in the trees, and some over the water.

Finally, a big thank you to everyone who came and supported the Summer Fayre. We were delighted to see so many of you enjoying the activities and stalls. A MASSIVE thank you to the PTA for once again organising a fabulous afternoon of fun.

Also, don't forget it's Sports Day on Wednesday afternoon (weather permitting) at **Paignton Rugby Club (the entrance opposite Bay Church) starting at 13:30**

Have a lovely weekend.
