HOME LEARNING

Thank you for the wonderful maps that have come into school already. If you haven't managed to map your journey to school yet, you have another week! Can you draw a simple map of a familiar journey? It could be your route to school, to the park or to a friend's house. Think about the places you pass on your way and include everything you can remember on your map. We look forward to sharing these in school/on Tapestry next week.

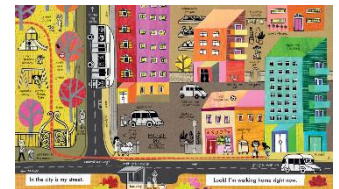

Reception children: please continue to watch your sound videos read/ your words/books as much as you can with your grownups at home.

We recommend at least three times in the week to help develop fluency.

Dear Parents & Carers

We had so much fun on our whole school trip this week, the children were an absolute delight and we received lots of compliments from members of the public about their impeccable behaviour. In school we have been comparing the features of a riverside town with our seaside town of Paignton and exploring the features of Dartmouth and Kingswear that we saw on our trip.

We have continued exploring our book 'Martha Maps it Out' by Leigh Hodgkinson. We thought about the different ways that Martha maps things she has seen and mapped our journey to Dartmouth on our whole school trip.

In Maths this week nursery children have been singing 5 Little Ducks and thinking about 1 less. Reception children have had the challenge of odd and even numbers! We have been learning about what odd and even numbers are and finding the patterns to help us.

In RE we have continued to think about the creation story. The children have enjoyed sequencing the story and sharing their thoughts about our wonderful world.

Have a lovely weekend.

Mrs Edwards and Miss Grant

Our Vision & Values

It was wonderful to share our whole school trip with all our classes and staff.

Live in harmony with one another

Romans 12:16

Star of the Week

This week we celebrate Elberry Cove! Little Bear was so proud of the children and their wonderful behaviour on our trip he couldn't choose just one child. Well done to you all for exemplifying our school values so beautifully.
