Dear Parents and carers.

We have had a wonderful week in Oyster Cove this week. The children showing their readiness for Year 3, great maturity on our trip and meeting someone new!

It was great to see how much the children are enjoying their cricket this week. The skills developing over the sessions and the progress they're making with their batting and fielding. All Stars is on a Friday if anyone would like to go to a free taster session.

Our trip was a feast for the eyes. I loved seeing their faces full of awe and wonder as we boarded the train and the boat, seeing so many different things all in one day. The sun was shining and the river calm, making it an easy day of making fantastic memories.

On Wednesday, we had a special visitor, Miss Thomas who will be our Year 3 teacher in September. It was with a heavy heart I informed the class that I would not be their teacher next year. It was a sad day for me as they have been an incredible group to teach for the last two years and I will really miss them all next year.

If you have any questions, please ask!
