ST MICHAEL'S
CHURCH OF ENGLAND ACADEMY

HOME LEARNING

Please count on and back from any given number within 100.

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

What an incredible day yesterday was! The weather was kind and the sun was shining. We really enjoyed our day. We loved the steam train and thought going through the tunnel was spooky! We enjoyed the different boats and especially enjoyed having our lunch on the river cruise. When we arrived in Dartmouth, we found the park and had time to stretch our legs and have a play with our friends. Well done Shell Cove, you were all amazing and represented our school incredibly!

In science this week we carried on our learning about animals. We found out that animals can not only be sorted into groups according to what features they have but also according to what they eat. We learnt the terms, omnivore, herbivore and carnivore. We then used our knowledge to answer a short quiz and sort some animals into each group.

In RE this week, we have been talking about how to care for our world and everyone in it. We talked about what we could do to help to look after the earth.

In maths we have been looking at numbers to 100. We have looked number patterns, how to use 100 squares and partitioning numbers.

Have a lovely weekend,

Mrs Attwood

Our Vision & Values

Our 4 values of Love, Hope, Wisdom and Community underpin our Christian vision; 'The Future we Create Every day'.

Psalm 121:7-8 is a source of comfort for those traveling. It says the Lord keeps us safe, always watching over us. This verse is a go-to for people facing new places or challenges. It reminds us that God takes care of us every day.

Star of the Week

Target attendance 98%

This week we celebrate:
Reece

For caring for himself and others.

This week's attendance is ??
