Reading

Please read at least 4 times a week.
Repetition builds recognition of unfamiliar words to make them easier to recall and read at speed.

PE/Cricket

Monday - PE.
Tuesday - cricket.

Dear Parents and carers.

The sun gods were certainly smiling on us this week! It was excellent to see you all at Sports Day. I know the children really enjoy the moments when they can perform and do their best in front of you, it means so much to them. It was a great day that the children enjoyed and a huge thanks to the PTA for their half time refreshments and ice polls at the end.

As well as Sports Day, we also spent some time at the library on Tuesday. We were invited along to take part in the "Mossy Carpet" art project. Educating children on a brighter, greener future and the importance of being ecologically minded citizens of the future. We also received a visit from the library, explaining the Gadgeteer's themed, Summer Reading Challenge to the children as well as many other events that are taking place there over the holidays.

If you have any questions about the end of the year or your children moving into Year 3, then please don't hesitate to ask.

Have a great weekend and I look forward to seeing you on Monday.
