HOME LEARNING

Topmarks money games

Soft Bear will continue to choose a friend to go home with each weekend. He will bring his bag and a special book to share.

Soft Bear loves reading and would enjoy seeing the special stories you have at home too!

Dear Parents and carers,

This week has flown by yet again!

In maths we have been learning about money. We have been learning how to recognise the different coins and notes (size, shape, colour value). We have also had a go at buying different items in different ways.

We have continued to sew our puppets and will be adding the finishing touches next week. I am really impressed with the independent sewing I am seeing!

We are nearly at the end of our Dragon chapter book. The children have really enjoyed listening to the story each day and are always eager to find out what the next chapter is called.

Thank you to the library. We went there on Tuesday to participate in an Art and Energy project. We found out lots about moss! We worked well with our partners to create some pom poms to add to their mossy carpet to be displayed in the library. We also had a visitor come in from the library to talk to us about the summer reading challenge and all the different activities on offer over the summer.

A huge well done to all the children for a fabulous sports day. All children participated well, and the behaviour was impeccable as always. A huge thanks to Mr Berry and Saints South West for organising and to the PTA for the refreshments.

We had the pleasure of the company of the reception children for an hour on Thursday. Well done year 1 for stepping up and welcoming them into our classroom. You ensured they had lots to play with and were happy and settled.

Have a lovely weekend,

Mrs Attwood

Our Vision & Values

It was wonderful to share our Sports Day with our children, staff and families.

Live in harmony with one another Romans 12:16

Star of the Week

Target attendance 98%

This week we celebrate:

Arthur

For always being ready to listen and ready to learn.

This week's attendance is
99.5%

Amazing! Thank you all for supporting us in reaching our target!

Flourishing Futures
